REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

First, Applicant's amendment filed 9/21/2005 cancels claims 1 and 8, and also changes claims 7 and 22-24 to be dependent upon previously allowed claim 2.

Second, the Examiner repeats the reasons for allowance (see Office action dated 5/4/2005) as follows: In a response dated 3/16/2005, claim 2 has been amended in independent form to include all of the limitations of cancelled base claim 1, and any intervening claims. It is noted that prior art Kastura lacks a teaching of a backing coat of a pressure sensitive layer between the indicia layer and carrier layer. The backing coat of a pressure sensitive layer is neither taught, nor suggested by Kastura.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
